

Poetry Reading – Lesung
Tim Youngs *Touching Distance*
Five Leaves Books

Tim Youngs' debut poetry pamphlet is largely concerned with travel and encounters and with journeys through memory. Youngs is 'alert to the tricky matter of social distance, the space, as much intuited as physical, between individuals of different ethnicities, experiences, cultures, which he deftly touches on in several key poems of this slender, smartly-produced pamphlet'. (John Lucas)

The author is Professor of English at Nottingham Trent University and the author of several books on travel writing. *Touching Distance* is his first poetry collection.
